# Even Our Bottle is Grown, Not Made®

Introducing Heinz® Ketchup  
in new PlantBottle™ packaging.

855050.....30/20 oz

- PlantBottle™ is made from up to 30% plant-based material and is 100% recyclable.
- So now Heinz brings you the ketchup your customers love in a bottle they can feel good about, too.
- Think of it as our investment in the future of your business, your customers and our planet.

**Plant one on your table today**

To find out more, contact your Performance Foodservice - AFI rep or contact Delano McKamey with Heinz Foodservice at [Delano.McKamey@us.hjheinz.com](mailto:Delano.McKamey@us.hjheinz.com) or on his cell phone at 908.343.1868.

**“YOU SAY..”**

**“I SAY..”**

**Choose the upside-down bottle that best fits your needs.  
Its unique design minimizes waste and is great for small independents.**

**14 oz. Forever Full®  
upside down bottle**

- Provides consistent look across tables
- Tamper-proof cap for food safety

**NEW 14 oz. Clear  
upside down bottle**

- Safe and durable, clear PET plastic
- Easy to recycle
