You are cordially invited to take a moment and enjoy the holiday season with PERFORMANCE Foodservice Milton's at our 2nd Annual Exclusive VIP Industry Night Holiday Gala Celebration. Forget about the Christmas lists, the mall traffic, the long days and late nights you've spent preparing for the upcoming holidays, and find some time to unwind because Milton's is hosting a night you won't want to miss!

This year's event is being held atop Atlanta's premier rooftop event venue! VENTANAS is a unique, exciting, and sophisticated setting that offers spectacular views of Atlanta's skyline and the city below. As usual, our very own CEC Chef Daryl Shular will be creating a custom culinary spectacle that will have your pallet tingling and your mouth watering. With floor to ceiling windows over two indoor levels, and beautiful outdoor patios & terraces, sit back and relax in the midst of great company, incredible food, and some holiday cheer. We look forward to you being our guest for the evening and sharing in our sincere appreciation of your support of the Performance Foodservice Milton's Family.

Contact your area manager for more information concerning this EXCLUSIVE VIP Event. Space is limited for this exclusive "Invitation Only Event", so please RSVP immediately to be added to the VIP list. **Limit 2 ADULTS per account.**
