WEST CREEK®

Philosophy

Performance Foodservice proudly offers a quality line of fully cooked, individually quick frozen (IQF) Breaded Dill Chicken Breasts, Breaded Dill Chicken Bites and Breaded Chicken Sliders. Create savory sandwiches on buns and biscuits, appetizers and entrees from these items made with whole muscle chicken breast. Because you expect the best, we provide only those products that meet or exceed our demanding standards.

Features

- Consistently sized, lightly battered and perfectly seasoned to appeal to a broad range of consumers.
- Fully cooked and individually quick frozen to eliminate concerns of cross contamination between raw chicken and other items and allow operators to portion out what is needed to eliminate waste.
- All three products can be prepared from frozen in just 15 minutes in the oven or 5 minutes in the fryer for operator convenience.

West Creek® IQF 4-oz. Fully Cooked Breaded Dill Chicken Breasts are consistent in quality and performance. Perfectly seasoned with a hint of dill, this whole muscle chicken breast with rib meat fillet is battered, breaded, fully cooked and IQF frozen for operator convenience.

West Creek® IQF Fully Cooked Breaded Dill Chicken Bites are battered, lightly breaded, fully cooked and frozen. Crispy breading with a hint of dill, these are great for mini sandwiches, breakfast biscuit bites or nuggets for dipping, West Creek® Fully Cooked Breaded Dill Chicken Bites are tender and juicy with a consistent flavor profile.

West Creek® 2-oz. Fully Cooked Breaded Sliders are fully cooked and frozen whole muscle chicken breasts with rib meat. They are breaded and battered in a mixture of seasonings and spices for a taste that is pleasing to a broad consumer base. At a size of 2 ounces, these are the perfect product for sliders, or to slice and put into a wrap.
