What a crazy past two years we have had as an industry, I am happy to welcome you all to our first in-person food show in nearly three years. With the changing times, we have a huge focus on providing you, our customers, with solutions. I hope that you will enjoy your visit to our different eclectic neighborhoods that are back-boned by new products that are trend forward. We have taken the time to adapt menu solutions for profitability, as well as, business solutions for consistency and control. Each member of our Performance Foodservice team is here to make this show a success for you and your establishment. Thank you for coming out and enjoying this show with us. We hope you enjoy!

Philippe Bind, Director of Sales Support & Marketing
