

# RESTAURANT REBOOT

PRODUCTS FOR A POST-COROVAVIRUS DINING EXPERIENCE

Tim Watt 314-302-9916  
Packaging Specialist

# THE NEW NORMAL: PRIORITIES FOR RESTAURANT OPERATORS ARE CHANGING

---

## **PRE-COVID-19:**

- ❖ GOOD FOOD
- ❖ HIGH PROFITS
- ❖ ON-SITE DINING
- ❖ HANDS-ON SERVICE
- ❖ EFFICIENT OPERATIONS
- ❖ LOW OVERHEAD

## **POST-COVID-19:**

- ❖ STRONG CARRYOUT
- ❖ SEATING LIMITS
- ❖ HANDS-OFF SERVICE
- ❖ CLEANING PROTOCOLS
- ❖ RESERVATION ONLY
- ❖ STAFF SAFETY

# BUILDING A BETTER TAKEOUT EXPERIENCE

- ❖ **THE PACKAGING SHOULD MATCH THE FOOD**

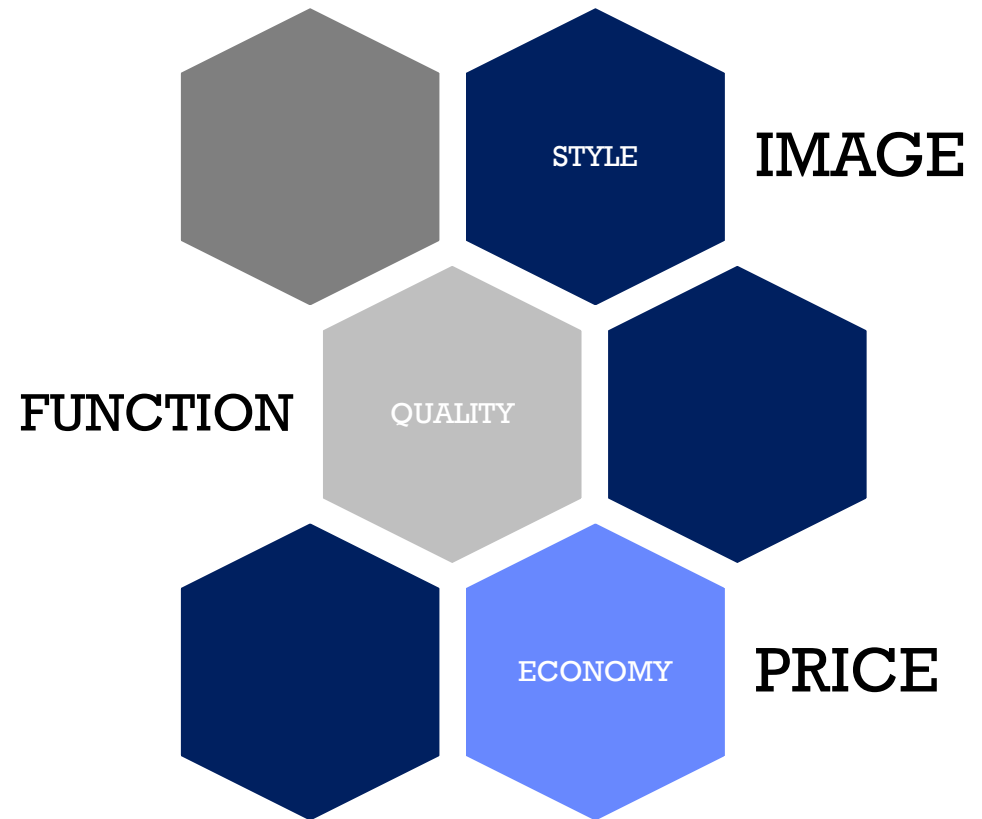

- ❖ Low cost food = low cost packaging
- ❖ Upscale cuisine = upscale packaging

- ❖ **SHOULD IT BE MICROWAVE SAFE?**

- ❖ **SHOULD IT BE GREEN?**

- ❖ **WILL IT BE EATEN FROM THE PACKAGE?**

- ❖ **WILL IT TRAVEL WELL?**

# CARRYOUT AND DELIVERY PRODUCTS

## **BAGS AND CONTAINERS**

- Bag and container selection goes hand in hand to ensure proper fit
- Consider different bags for carryout vs delivery (tamper-evident)
- Solid food like a sandwich doesn't require as tight a seal as saucy food like pasta
- Size matters – don't waste money on too-large packaging. Have a variety of sizes.
- Consider insulating properties for heat retention and steam issues
- Local ordinances may govern plastic/foam usage

## **ACCESSORIES AND MISC**

- Wrapped cutlery > Cutlery dispensers for hygiene
- Kits may be overkill in some cases, wrapped cutlery saves \$\$
- Additional cups/lids needed for takeout of specialty drinks
- Caterware may be needed
- Foil pans/lids are great for take-home meal kits
- Glassine or foil bags are good for sides like bread
- Specialty containers like Bento boxes or nesting cups keep ingredients separated
- Hinged-Lid taco boxes exist!

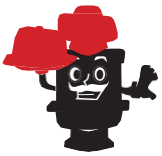

# CREATIVE OPTIONS FOR CARRYOUT

Think beyond foam-hinged  
and t-sacks!

Don't bring your **restroom**  
into your **restaurant**

**Dirty Bathroom = Dirty Kitchen**

## Positive Experience

Cleanliness is an integral part of a customer's positive dining *experience*.

Clean positive restroom connection with customers can lock in repeat business.

## Negative Experience

Dirty toilets to grimy soap dispensers to bad odors

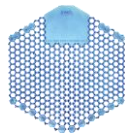

Dirty restrooms = may never return to the restaurant again.

## Performance Foodservice Solutions

### Clorox Urine Remover

Breaks down urine to eliminate odor, with hydrogen peroxide. Removes stains and odors. Use around wall urinals and commodes

### The Wave 3D

Reduces 99% of urine splash; freshens the urinal for 30 days; Bio actives consume waste.

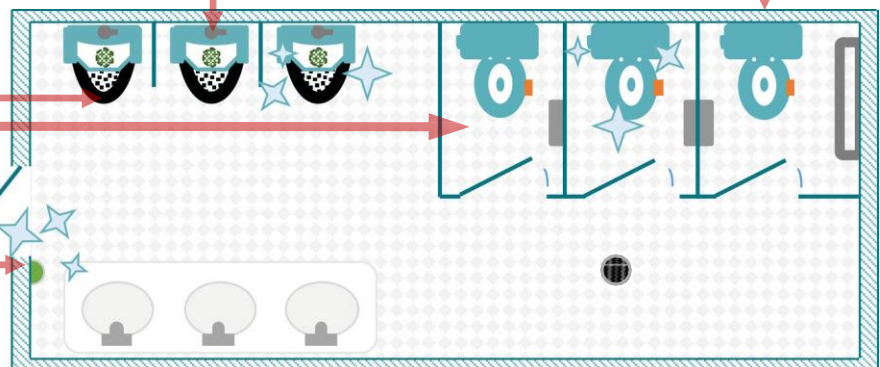

### Eco Bowl Clip

Freshens stalls and deodorizes at the source for 30 days.

### Easy Fresh 2.0

Freshens air for 30 days; motor driven fan moves fragrance further than a typical passive system; place near entrance of restroom.

## METERED AEROSOLS

### Key Features

- Contains Metazene® brand odor neutralizer
- Provides up to 3,400 metered sprays
- Universal spray actuator fits most competitive dispensers
- Spray timer releases at 5, 10, 15 or 20 minute intervals
- By controlling the intervals, the products can be used in any space
- VOC compliant
