ROMA® ORIGINAL BLOCKS, SHREDDED & DICED MOZZARELLA CHEESE & MOZZARELLA BLENDS

Performance Foodservice proudly presents Roma® Original Mozzarella Cheese. Made with a traditional, years-gone-by formulation process that offers a firmer bite and great stretch. Roma® Original Mozzarella Cheese delivers a rich buttery flavor, creamy melt, unparalleled stretch and a baked light golden brown finish. In block form, Roma® Original has a firm body that slices well and works great for house-made mozzarella sticks. Shredded and diced mozzarella cheese and mozzarella/provolone blends under the Roma® Original brand are an extension of the Block Cheese, which is the hallmark of the Roma® Original brand. They bring the same buttery flavor, melt, stretch and baking profile with the convenience of a pre-shredded or pre-diced product.

Low-moisture block, feather-shredded or diced and ready-to-use, the rich, creamy melt of Roma® Original Mozzarella and Mozzarella Blends provides the operator better coverage and a superior yield.

Roma® Original Shredded, Diced Mozzarella and Mozzarella Blends come conveniently packed in cases that are convenient for pizzerias.
