# PERFORMANCE ELITE REWARDS

## ELIGIBLE PROGRAM PARTICIPANTS

The program is offered to valid business entities, and not to individuals, and is open to independent foodservice establishments (restaurants) in the U.S. The establishment’s account should be set up and managed by the person primarily responsible for making food and beverage purchase decisions for the establishment. Appropriate job titles include Owner, Principal, General Manager and Buyer; other job titles may also be appropriate, depending upon the establishment. To participate, your Performance Foodservice sales representative must enroll your account on Meal Ticket.

## PROGRAM EARNINGS STRUCTURE

Eligible items and case allowances are determined by our participating supplier partners. Participating operators will earn between \$.05-\$.50 per case depending on the eligible item’s case allowance.

### Examples of current eligible items include -

- Assoluti - Flour and Pepperoni
- West Creek - Bacon, Mashed Potatoes, Hashbrowns, and Whipped Topping
- Roma - Flour and Cheeses
- Nature’s Best - Ice Cream Mix, Heavy Whipping Cream, Sour Cream and Creamer
- Cod, Shrimp, Tilapia and Salmon
- Brickfire Bakery - Breads, Buns, Rolls, and Muffins

Participants will earn rewards based on the quantity of eligible item purchases (case and case equivalents) they make. Please note, Performance Elite Rewards eligible items and their allowances assigned may vary over time.

## EXAMPLE

Assume “Karen” a participating foodservice operator, purchases the following products:

Eligible Item	# of Cases Purchased	Rewards Earned Per Case	Total Earned
